Mr. Conkey was elected by unanimous vote as Chair. Ms. Phelan was elected by unanimous vote as Vice Chair. Mr. Page passed the gavel to Mr. Conkey.

**Policy/Committee Work for 2012/2013**

Mr. Reed introduced the Committee's work, and Ms. Moehring provided an overview of the two documents they produced: A Committee Compilation of recommendations, and a recommended Regional Action Plan. The latter is proposed to be widely released. Mr. Rhodes reminded the Board to be careful with message. The documents provide a framework for consideration of policy and do not recommend regulation. Mr. Reed agreed and noted that local governments would do well to consider sea level rise, and to consider best data as they are making decisions, so that they limit their vulnerability and that of their infrastructure, especially given limited budgets and the importance of resources like fresh water. Ms. Moehring noted that the Regional Action Plan would be launched at a October 28, 2013 event on sea level rise. Former Chair Page will address the NEFRC Board on November 7, 2013 to discuss the Regional Action Plan, and their role in implementation. The Board agreed to release the documents without change by unanimous vote.

**Policy/Committee Work Proposed for 2013/2014**

Ms. Moehring presented the motion of the NEFRC that recommended RCI work on “Thriving Small Business”. The Board agreed by unanimous vote. Mr. Graham agreed to serve as Economic Development Committee Chair during the period required to do this work.

She was asked to schedule a more complete discussion related to funding 13/14 policy work for the next meeting, to include the NEFRC CFO. Former Chair Page’s and Committee Chair Reed’s service was recognized verbally, by small mementos and by resolutions signed by Chair Conkey.
