

The Northeast Florida Regional Council is interested in sharing with communities and non-profits a greater understanding of what banks are interested in funding under the Community Reinvestment Act each year. In addition, we will share what we learn about community needs and opportunities for funding from the community and non-profit perspective. Please take our survey so we can get this community conversation going!

1. From your bank's perspective, what was your most successful project in the 7 counties of Northeast Florida (Baker, Clay, Duval, Flagler, Nassau, Putnam, St. Johns) last year (2017)?

2. What types of projects is your bank most interested in this year (2018)?

3. What parts of Northeast Florida are of interest to your bank?

4. What else would you like the community and non-profits to know about your bank?

* 5. What bank do you represent?
