RE: Regional Community Institute Board of Directors

Dear Ms. Moehring:

It was my pleasure to speak with you this morning. As we discussed, I am honored to be considered for membership on the Regional Community Institute's Board of Directors. Please allow me to submit a brief "resume" in order to provide the Board members with some information about me and my qualifications to serve on the Board.

Personal Statement:

I am a native Floridian. I was born in Jacksonville on April 1, 1954, at the hospital on board Naval Air Station Jacksonville. With the exception of military service and law school, I have always lived in north and northcentral Florida. I have resided in Jacksonville, Gainesville, Ocala, and currently, Palatka. I have always had an affinity for this area and have tried, throughout the years, to involve myself with service organizations, charities, and other endeavors which benefit my community. I hope this opportunity to serve as a member of the RCI Board of Directors will allow me to meet and work with other civic conscious individuals and learn more about "how things work" and help improve northeast Florida.

Education:

Associate of Arts, Santa Fe Community College (now Santa Fe College)

Bachelor of Arts, University of Florida (Political Science)

Juris Doctorate, Cumberland School of Law of Samford University
Licensed to practice in all Florida state courts, the Middle District of Florida, and the United States Supreme Court. Rated AV "Preeminent" by Martindale-Hubbell.

Past member of the James C. Adkins American Inn of Court and accepted for membership in the St. Augustine American Inn of Court.
